About Truitt Bros., Salem, Oregon

For thirty-five years Truitt Brothers' success has come from doing the right thing for our customers, consumers, employees, growers, and the Willamette Valley. This commitment means using fresh wholesome ingredients. Buying locally grown produce that protects the livelihoods of family farmers. Preserving products for year-round use through safe natural methods, not chemical preservatives. And continually working to minimize our environmental footprint and make our good practices great. Real food; Real flavors; The Spirit of Freshness.

Truitt Bros. Pumpkin Pie Shake Mix is "real food"; that is, food prepared like nature intended. No preservatives, not overcooked or overprocessed. It's "farm-table-fresh" cooking that remains true to its real flavor and texture.
